Saturday, October 17, 2015

11:30 p.m. – 5:00 p.m.

Washington Street

### About the Event:

Harvest Arts is an outdoor festival celebrating live music and dance, visual arts and fine crafts of our region. It is always a full day of fun for everyone that gets better and better every year! Last year's Harvest Arts Festival was a big success with huge attendance.

This is a juried show and we encourage emerging artists to participate. There is an abundant amount of talent within our town limits, as well as in the county and throughout the state. The purpose of the exhibit is not only to sell art, but to also showcase the talent of local artists, and to enlighten and delight the general public. Judging takes place and prizes are awarded on the day of the event.

### Submission of Artwork:

To be considered for the show, artists are required to submit two images by email. All work submitted must be available for sale and must be original work by the artist (limited edition prints by the artist are also acceptable). Submission of work is not a guarantee of acceptance into the show. **If you have participated before, it is not necessary to submit two images, although you still must complete the rest of the entry form.**
